

**DPP TESTIFIES
IN SECRET AT
M15 TRIAL**

**By Our Old Bailey

The Director of Public Prosecutions, Sir Thomas Hetherington, gave evidence for the prosecution yesterday as the Old Bailey spy trial of M15 officer Michael Bettaney continued in secret.

It is extremely rare for the D P P to appear as a witness in criminal cases. Members of the security services also gave evidence yesterday.

Technicians checked No. 1 court for bugging devices several times. Bettaney denies 10 charges under the Official Secrets Act. The hearing continues today.
